### TRINIDAD VILLAGE PAINT REQUEST FORM

Dear Trinidad Village Homeowners,

The way the color selection works is this: You are to pick a single stucco color, then you may pick UP TO ANY TWO TRIM COLORS FROM THE BOARD to go with it. You do NOT have to use TWO trim colors if you prefer to have only ONE. It is just an option. The trim colors may be applied as you wish – but everything MUST be noted on this form to make it easier for the contractor and us to coordinate. Black is an option if you have iron gates and would prefer the traditional Spanish look. Otherwise they are to be painted one of your trim choices. (If you have had your windows replaced and they have vinyl trim, that trim will NOT be painted) Please leave this completed form with the CCHOA office. ~ Color samples are available for viewing in the HOA office.
