

Thank you for the Opportunity!

On behalf of our entire team at Park West Landscape, we are excited about partnering with Coronado Cays, the Board of Directors and the Jamaica community in managing the landscape needs! Our team is looking forward to attending your next Town Hall meeting to meet and answer any questions the membership may have during the landscape transition.

Our goal is to build a program for Jamaica through proactive management of your landscape and provide the highest quality of work and cost effective solutions for long term planning that will create a safe, functional and beautiful outdoor environment for years to come! Our experienced teams develop precise and customized schedules for the unique needs of each our customers through an extensive on boarding process, evaluating your site and collecting the data needed to build a true management plan for your community.

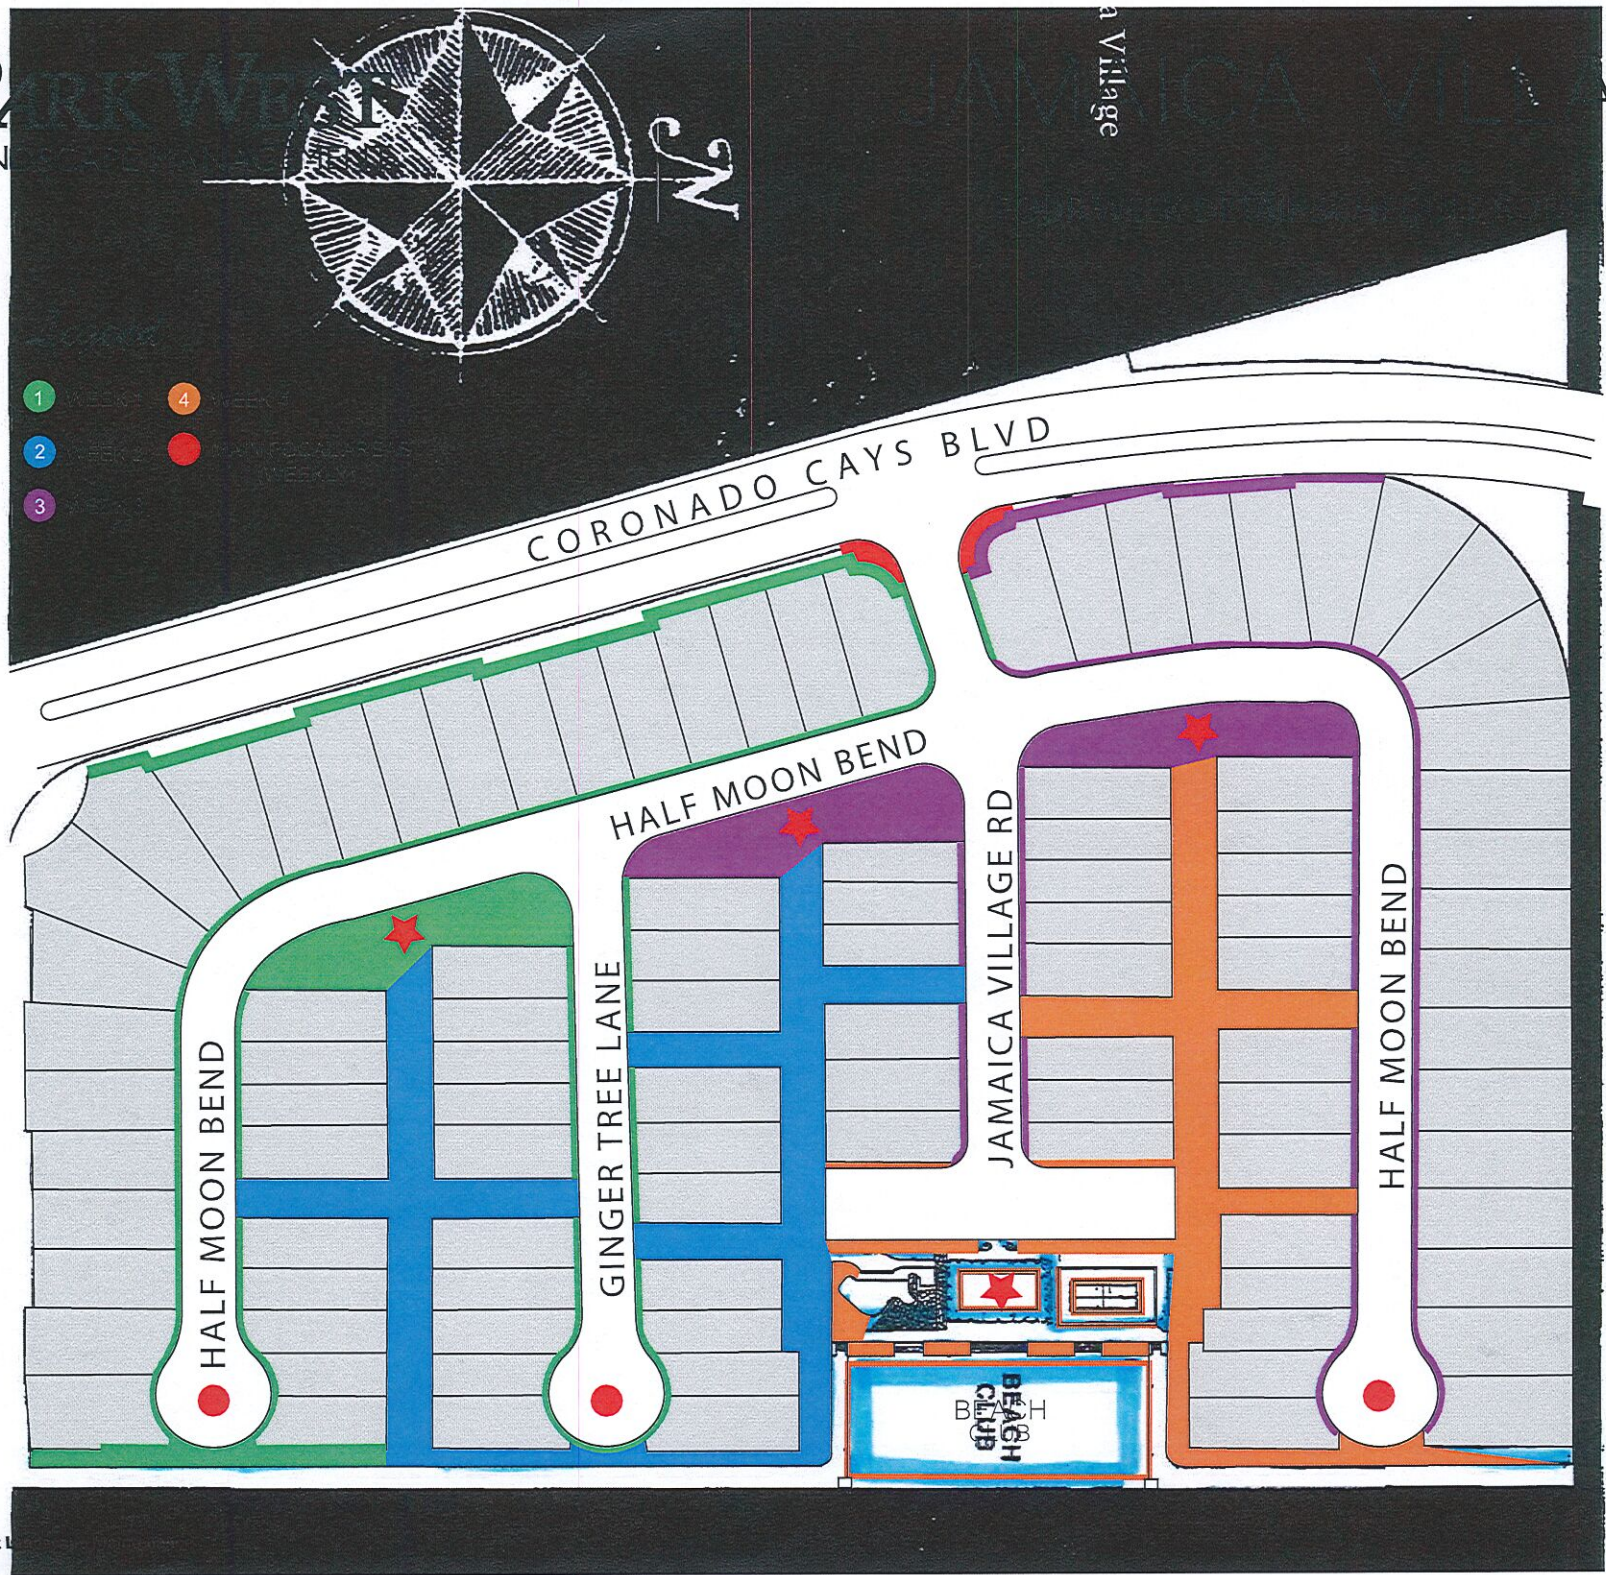

Park West is a local, family owned and operated company. We have expanded to over 1000 employees with branches located in San Diego, Orange, Riverside, San Bernardino and Los Angeles Counties and have extensive resources readily available to handle any landscape needs that may be needed for Jamaica and The Cays. We look forward to our cooperative efforts in caring for your environment so that the homeowners at Jamaica can enjoy the beautiful outdoor spaces in your neighborhood!
