NOTICE OF CONSTRUCTION

FOR THE

GREEN TURTLE PUMP STATION HATCH REPLACEMENT

Anticipated Dates of Construction – 10/5/26 TO 11/16/26

Contractor - Jennette Company, Inc. (JCI)

Project Description:
Jennette Company, Inc (JCI) has been contracted by the City of Coronado to replace the maintenance access hatch and piping at the Green Turtle Pump Station located on the westbound section of Green Turtle Road between Admiralty Cross and Coronado Cays Boulevard.

Traffic Impacts:
During construction, the existing westbound travel lane from Admiralty Cross to Coronado Cays Boulevard will be closed due to construction impacts. Westbound vehicles will be detoured and share the road segment south of the median in Green Turtle Road. In addition, the left turn lane from Coronado Cays Boulevard onto Green Turtle Road will be closed during construction and will be detoured around the traffic circle/security kiosk and back to Green Turtle Road.

Please adhere to the signage and follow the detours in place. Once construction is complete, both sides of Green Turtle Road will be opened to traffic.

Contacts During Construction:
Contractor (JCI): Guy Cope (619) 371-3759
Inspector (Hoch): Robb Cowan (951) 664-0614
City PM: Kelly Crowe (619) 522-7357
